Letting someone know you care when they have lost a loved one is one of the most comforting things you can do during a time of loss. This card is simple, yet lets the recipient know how much you really care when you hand craft this beautiful card.

CUTTING DIMENSIONS:
-

INSTRUCTIONS:
1. *Cut two pieces of Designer Series Paper 3-7/8" x 12". Score at 3-7/8", 7-3/4" and 11-5/8". Trim the 3/8" piece at the end off of ONE of the strips.*
2. *Adhere the strips together with the 3/8" piece of the first strip overlapping the back of one end of the second strip. (Important: If your DSP has a clear up-and-down image, be careful when you're using it that up is always up!)*
3. *Accordion fold the long strip, beginning at the left with a valley fold. Crease all folds.*
4. *For the front and back covers, cut two pieces of light cardboard 4-1/8" square and two pieces of DSP 5-1/8" square.*
5. *Adhere a piece of DSP to a piece of cardboard, centering the cardboard on the DSP. Clip off the corners of the DSP almost to the corners of the cardboard. Fold the 1/2" of DSP on each side in toward the uncovered side of the cardboard and adhere to the cardboard.*
6. *Apply adhesive around the edges of one side of the accordion-folded DSP and adhere the accordion folded DSP to one of the pieces of covered cardboard. Repeat with the other end of the DSP and the second piece of cardboard.*
7. *Cut 6 pieces of Calypso Coral cardstock 2-1/8" x 3" x 3-1/8, and 6 pieces of Pool Party cardstock 3" square. The Calypso Coral piece is a mat for a photo cut 2" x 3", and the Pool Party piece is for journaling.*
8. *Arrange one piece of each color on each of the 6 inside panels (you could even cut more cardstock for the back panels, if you wish!), with the 2-1/8" x 3-1/8" piece overlapping the 3" square piece.*
   *I've included a scrap map showing 16 different ways you can arrange the two pieces. I've arranged them in pairs, but use them however they work with your pictures.**See below***
9. *Decorate the front as you wish. If you wish to have a ribbon or twine to tie around the album, adhere it to the front only, and cover with a decoration/embellishment.*
